Move Up Plans

West Lothian Artistic Gymnastics Club (WLAGC) will be working and striving for a year of change in 2017 with the main aim being a full upgrade of our facility that will provide West Lothian with a fully improved dedicated gymnastic facility for all levels of gymnasts to continue to participate and enjoy the sport they are passionate for.

The 'Move Up' Fund is a very exciting project for the Club, but also one that will take a great deal of work, patience, fundraising, sponsorship and planning throughout the year. WLAGC is a Scottish Registered Charity; we rely on all of you, our club members, to raise our profile, help with fundraising events and to actively help us to obtain company sponsorships to help support the club.

In 2017 we have an even bigger ask and we are confident that you will love taking part!
